RE: Financial Management Investment Procedures Q4 Fiscal Year 2020

Dear Mr. Berry:

The Audit Services Department performed procedures relative to Financial Management's Investments for the 4th Quarter of Fiscal Year 2020. The objective of the engagement was to selectively review investment transactions for compliance with the County's Investment Policy and Texas Government Code §2256, *Public Funds Investment Act*, as required by Texas Local Government Code §115.003(b), *Examination of Funds*, and Texas Government Code §2257.061, *Audits and Examinations*.

The work performed required our staff to exercise professional judgment in completing the scope procedures. As the procedures were not a detailed inspection of all investments, there is a risk that fraud, errors, or omissions were not detected during this engagement. The official therefore, retains the responsibility for the accuracy and completeness of their financial records and assets, and for ensuring sufficient controls are in place to detect and prevent fraud, errors, or omissions.

**Results**

In connection with the procedures performed, no reportable issues were noted.

We appreciate the time and attention provided by you and your staff during this engagement. Please look for an email request to complete the Audit Division's Post Engagement Survey. We look forward to your feedback. If you have any questions, please contact me or Errika Perkins, Chief Assistant County Auditor, 713-274-5673.

Sincerely,

A handwritten signature in blue ink that reads "Michael Post".
