Dear Teneshia Hudspeth, Harris County Clerk:

The Harris County Auditor's Office - Compliance Audit performed procedures relative to the Harris County Clerk monthly collection reports for the six months ended, February 28, 2022. As required by Local Government Code §115.002 (a) and (b), Compliance Audit selectively examined the financial activity relative to the monthly collection reports and related records.

The objectives of this engagement were to determine whether:

- The monthly collection reports were submitted timely and the amounts reported were properly recorded in the County's depository;
- The numerical sequencing of receipts was accounted for; and
- Receipts were properly allocated in the County's Financial System.

Results

In connection with the procedures performed, no reportable issues were noted.

Accountability

We conducted our audit in accordance with the International Standards for the Professional Practice of Internal Auditing (Standards). The Standards require that we comply with the Code of Ethics and obtain reasonable assurance that significant risks to the activity are minimized to an acceptable level.

The engagement's scope did not include a detailed inspection of all transactions. There is a risk that fraud or errors were not detected during this engagement. Therefore, the official retains the responsibility for the accuracy and completeness of their financial records, and for ensuring sufficient controls are in place to detect and prevent fraud, errors, or omissions.

Ms. Teneshia Hudspeth
Harris County Clerk
