All related costs must be in accordance with the jurisdiction's per diem policy and must not create the appearance of extravagance or impropriety.
- **Law enforcement awards and memorials** - Costs associated with the purchase of plaques, certificates, and challenge coins for law enforcement personnel in recognition of a law enforcement achievement, activity, or training. Shared funds may not be used to pay awards in the form of cash or cash equivalents or stored value cards. Shared funds may be used to pay the costs for commemorative plaques, displays, or memorials on law enforcement property that serve to recognize or memorialize a law enforcement officer's contributions, such as a memorial plaque or stone in honor of an agency's officers killed in the line of duty. The plaque, display, or memorial must not create the appearance of extravagance.
- **Drug, gang, and other prevention or awareness programs** - Costs associated with conducting law enforcement agency awareness programs.
- **Matching grants** - Costs associated with paying a state or local law enforcement agency's matching contribution or share in a state or federal grant program for items other than salaries, provided that the grant funds are used for a permissible law enforcement purpose in accordance with the Guidance and the grant provision permits matching with federal funds.
- **Support of community-based organizations** - Transfers of shared funds from a state or local law enforcement agency to community based non-profit organizations (501(c)(3) or (4)) whose stated missions are supportive of and consistent with a law enforcement effort, policy, and/or initiative. An agency may expend up to a total of \$25,000 annually to transfer to such organizations. Examples include a drug treatment facility, job skills program, or a youth program with drug and crime prevention education. The following requirements apply:
 1. Law enforcement agency head must approve the transfer and must ensure the recipient is a qualified entity;
 2. Agency must ensure that all transferred funds are spent permissibly in accordance with this *Guide*; and
 3. Agency's jurisdiction must perform applicable sub-recipient monitoring requirements pursuant to the OMB *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

This community-based organization provision does not apply to Department of the Treasury equitable sharing funds; therefore, agencies may not use Department of the Treasury funds to support community-based organizations.

When procuring goods or services from a vendor using equitable sharing funds, state and local law enforcement agencies participating in the Department of Justice and the Department of the Treasury Equitable Sharing Programs must verify that vendors are registered in the System for Award Management and are in good standing. A vendor in good standing means the vendor is not suspended or debarred from receiving federal funds. This requirement applies to all qualifying purchases. A qualifying purchase is one single payment or multiple payments to a vendor that exceeds \$25,000 annually.
